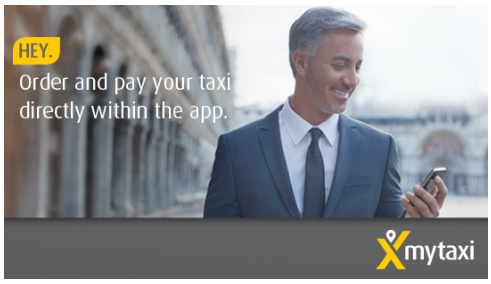
Apps for Me Now Available

mytaxi



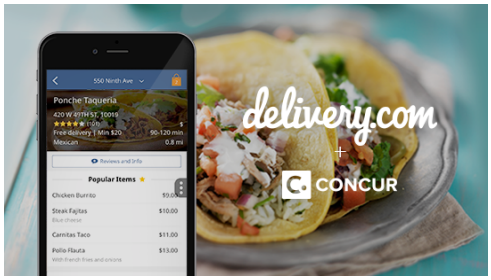
mytaxi is the location-independent taxi app for booking now and in advance. mytaxi is available primarily in Germany with other prominent European cities on the way.

The transparent app gives you certainty of the integrity of the taxi service. mytaxi provides you with the driver's name, a photo, cell phone number, the vehicle type and it's number. You will also be provided an estimated fare for your planned journey. The real time location of your taxi and it's time of arrival are displayed live in the mobile app. Your mode of payment is securely stored in the app, allowing you to pay your fare within seconds. By connecting your Concur account with mytaxi an e-receipt will be automatically sent to your Concur account to add to your expense report.

mytaxi works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about mytaxi, visit the mytaxi website at https://www.mytaxi.com.

Apps for Me Coming Soon

delivery.com



delivery.com lets you order takeout like a local and easily manage your expenses by automatically sending your receipts to Concur. Available in the U.S., English only.

Order online from thousands of local restaurants and stores and have auto-generated e-receipts sent straight to Concur. Whether you're looking for great food, trip essentials, or even a highly-rated dry cleaner, delivery.com helps you find the best neighborhood hot spots for easy delivery or pickup.

delivery.com works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about delivery.com, visit the delivery.com website at https://www.delivery.com.

GigSky

GigSky allows you to stay connected with mobile data to use your favorite voice, messaging, and travel apps everywhere you go. Link GigSky to your Concur account for easy expensing. Available in globally, English only.

GigSky world mobile data service makes it easy to stay connected away from home to the apps you want to use when traveling. Flexible data plans allow you to purchase the right amount of mobile data to stay connected, when you need to, where you need to, and how long you want to. Linking GigSky to your Concur account allows data purchase receipts to seamlessly be available in your Concur account.

GigSky works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about GigSky, visit the GigSky website at https://www.gigsky.com.

Lyft

Take Lyft for a welcoming, affordable, and memorable ride. Request a ride in the Lyft app, and get picked up by a reliable community driver in minutes. By connecting your Concur account with mytaxi an e-receipt will be automatically sent to your Concur a ccount to add to your expense report. Available in the U.S., English only.

Using Lyft is easy. Request a ride with just one tap, get matched with a friendly, background-checked driver. Get picked up and track your driver's ETA in the app. You'll see their photo so you know who you're riding with and get there fast. When the ride ends, just pay with your phone. By linking to your Concur account an e-receipt will automatically be sent to Concur for effortless expensing.

Lyft works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about Lyft, visit the Lyft website at https://www.lyft.com.

Velocity
